Use our knowledge

Australis Pavestone Co., proudly Western Australian owned, provides innovative and creative paving solutions which add value and individuality to your home. Be inspired and stimulated to develop a contemporary or traditional design scheme which will make your dream a reality. The possibilities are endless.

The Australis difference:

- Leader in new product development
- Hand made products with uniform depth and quality
- Pure Western Australian limestone used for coolness under foot
- Ant and weed free solution
- Water proofing agent added during manufacture to enhance the colour for years to come

Feature stone is a naturally occurring material and may therefore vary in colour, veining and texture. Please consult with Australis Pavestone prior to your next purchase. Some lines may be discontinued due to unavailability.
